The Deaf Education Advancement Foundation is a non-profit organization founded to help parents connect with each other and to provide information to parents and professionals in the field of deaf education. This organization was founded to promote excellence in education for deaf

children. We want to expand options available to children with hearing loss to make them feel like a valued part of society. We will effect change through educating parents, educators and most importantly the children. We hold monthly informational meetings and family-oriented socials at least twice a year. We also have a playgroup that meets monthly. Visit our website for more information about our mission and upcoming events.

The Early Childhood Gateway
